

JUST 4 SCHOOLS

VULCAN K-12

COMBI OVENS

INTRODUCING THE VULCAN COMBI. AS EASY AS A-B-C.

VULCAN ABC COMBI OVEN/STEAMER

Vulcan's ABC Combi has all the cooking capabilities you need to serve nutritious school meals, from roasting and baking to steaming and rethermalizing. And with no programming required, you can train staff in minutes. It's the one piece of equipment no school kitchen should be without.

- *Totally easy—just set the temperature and time*
- *Patent-pending humidity level control automatically adjusts*
- *Exclusive Precision Humidity Control ensures accurate humidity and repeatable results*
- *Simple, intuitive operation with only 3 knobs*
- *With 7 levels, each Gas (ABC7G) and Electric (ABC7E) Boilerless Combi holds 7 (18"x26") or 14 (12"x20") pans*
- *Engineered and assembled with pride in Louisville, Kentucky*

ABC7G

DONE TO PERFECTION.
